- 3) Hold candidates to the standard, and support those willing to take a stand on [repeal](#). The cause of liberty and limited government needs us now more than ever. Keep your eyes on the prize, and move forward to November 2010 and beyond, as we can begin to undo most of the bad stuff in legislation.
- 4) DONATE to your favorite candidates and donate to Clear the Bench Colorado www.clearthebenchcolorado.com and donate to Pelosi's Republican challenger, John Dennis at <http://www.johndennis2010.com/>
The only thing these people fear is money going to their opponents' campaigns and pro-freedom causes. After making donations, send letters to Dem US Rep's from CO and Senator Bennet telling them you donated to their opponents and to Pelosi's challenger, too.
